

Instructions Before Your Phlebectomy Procedure

You are scheduled to undergo a phlebectomy procedure to treat your varicose veins. Relax, this procedure should take approximately one to two hours and will be performed in the physician's office. Please follow the following simple instructions in getting ready for your procedure:

1. Wear loose pants or sweatpants the day of your procedure because a bulky bandage will be placed on your treated leg(s) and it may be difficult to pull tight pants over the bandage.
2. If you have any questions, please call our office at:

YOU CAN EAT AND DRINK BEFORE YOUR PROCEDURE WHEN PERFORMED IN THE OFFICE OR RADIOLOGY PROCEDURE ROOM
